Specialist Feedback Services

Assessment and Marking

Ideal for students who would like detailed written feedback on work completed independently, or an examiner-style review of school assessments, to identify strengths, misconceptions and precise next steps for improvement.

Short written work, under two pages - £15.00
Longer written work, over two pages, up to six - £25.00
Whole GCSE exam paper (per paper) - £30.00

Why choose assessment and marking services?

- **Expert examiner-style feedback:** Work is assessed carefully against relevant GCSE assessment objectives, giving students clear insight into how their writing is performing.
- **Precise next-step targets:** Students receive focused, actionable guidance showing exactly what to improve and how to improve it.
- **Personalised development points:** Feedback is tailored to individual strengths and areas for growth, rather than generic comments.
- **Identifies misconceptions early:** Expert review highlights weaknesses in structure, analysis, interpretation or exam technique before they become embedded habits.
- **Encourages reflection and redrafting:** Students learn to evaluate their own work critically and refine responses to a higher standard.

One-Off Assessment Review Sessions

Designed to complement the assessment and marking services offered above, these focused one-to-one sessions create opportunity to review marked work in detail, explain feedback clearly and provide targeted guidance for immediate improvement.

- Online - £55.00 per hour
- In – Person - £60.00 per hour

Why choose an assessment review session?

- **Transforms feedback into progress:** Students learn exactly how to apply written feedback successfully.
- **Immediate personalised coaching:** Students can ask questions, clarify misunderstandings and strengthen weaker areas in real time.
- **Builds confidence quickly:** Clear explanation removes uncertainty and helps students approach future tasks with greater independence.

- **Strengthens exam technique:** Targeted discussion helps refine analytical precision, structure and written response quality.
- **Complements school learning:** Offers the detailed individual guidance often difficult to achieve within classroom marking.

Please note that assessment review sessions are only available following purchase of assessment and marking services.
