Please note

- Exam preparation sessions are offered at selected points throughout the academic year in line with GCSE mock examination periods and GCSE exams. Sessions will be chosen by the tutor and advertised accordingly to suit specific exam boards.
- Some GCSE papers contain distinct reading and writing components and, where full coverage is needed, two separate sessions may be required to ensure sufficient depth and focused preparation for each element. Where this applies, this will always be made clear in advance when sessions are advertised, allowing families to book the most appropriate preparation pathway for their child's needs.
- For some sessions, students may be expected to read or review specified materials in advance to ensure they are fully prepared to engage in high-level discussion and gain maximum benefit from the session. Any preparation requirements will always be clearly communicated at the time of booking.
- Sessions are available subject to availability. Advance booking and full payment are required to secure a place.
